

## **ALDRSHOT WEB LEADERS BRING YOU WALLOWEEN !!!!**

Dear Parent(s)/Guardian(s),

As part of our WEB (*Where Everyone Belongs*) program our Grade 8 leaders will be running a fun activity called '**Walloween'-The Aldershot Amazing Race** for the grade 7's on Friday Oct. 28 during periods 3 & 4. The activity is a team building event with initiative tasks and community spirit as its' primary focus. In light of the season the event will have a Halloween theme as well. Students will be **outdoors and active** for this event so need to dress appropriately, running shoes and active wear are recommended, students should NOT be wearing their costumes for this event. Everyone will have a chance to put their costumes on afterwards for the dance.

Remember for safety, you will need to be able to see when wearing your Halloween costume, therefore no full face masks are allowed. Face paint or makeup are acceptable alternatives. Also remember that long hanging 'tails' or 'strips of material' can be a tripping hazard. Please take these recommendations into consideration when planning your Halloween costume as we want everyone to have fun but be safe!

## **SLT HALLOWEEN DANCE /MOVIE**

The Student Leadership Team is hosting a Glow-In-The-Dark Halloween dance for our 7's & 8's Friday, Oct. 28 during periods 5&6 in the small gym. There will be games, a costume contest and prizes. The cost of the dance is \$2.00 and students can purchase drinks and snacks at the tuck shoppe. Students who do not wish to attend the dance can watch a movie in the auditorium at no cost.
