SAFE ARRIVAL:

Please refer to *Attendance Process* on the school website ald.hdsb.ca

1. Parent/Guardian to use [Parent Portal](#) or call the attendance line for late arrivals and all absences. Informing the teacher, while important, the administration of the absence must be communicated to the office
2. For a planned appointment, please send a note with your student excusing them from class at a particular time, that way the class does not need to be interrupted and your student can be in the office awaiting your arrival
3. If your student is not attending a planned field trip/event, there will always be programming at the school. Should you choose to not have your child attend, please follow the *Attendance Process*

DRESS CODE (tba):

As a whole school we co-create Dress Guidelines yearly for Aldershot with teachers, parents, and students and come to a common ground for everyone. These guidelines will be communicated to the school community in September and will be outlined on our Website.

Dudley locks are strongly recommended. They are available for purchase here for \$5.00 or on School Cash On Line (see Website for more info on the **NEW** [School Cashless Suite](#) - you can use credit card, debit or e-transfer).
